Working Group. Q: Can't get my setTimeout()/clearTimeout() function to work in IE8 I'm having issues with IE8. My setTimeout()/clearTimeout() isn't working. If I have 2 elements, a div inside a div, and the second has an event listener on it, and the first has a click event, this works fine

---

in all browsers but IE8.

```
$(function() {  
  $("div").click(function() {
```

```
    $("div").hide();
```

```
    $("span").show(); }); }); test
```

Foo jsFiddle demo I can't seem to get the `setTimeout()` or `clearTimeout()` to fire in IE8. Can anyone help? A: You need to change this:

```
    $("span").show(); to
```

---

`$("span").show();` Also, I'm not sure if that's your intention, but that's how you get elements with `type="button"`, I would recommend changing them all to `type="submit"`. Q: grep one word two times, but only get the first match I have a file that contains a `3da54e8ca3`
