How To Find A Startup Idea - matt1 ===== jfaucett sounds like the general idea is to contact as many people as possible and have them give you their ideas. I would think this would be a really good way to find an idea unless you are looking for one specifically already. But what I wish I had known this in highschool when I was trying to find some startup idea was to get as many people as possible to brainstorm ideas. We even had a team of 5 or so people tackle two problems that way, and we even got a couple of ideas that we ran with. So not only does it seem like this is the general way to go about finding an idea, but also the tried and true tried and proven way. ~~~ matt1 Yeah, but, that's a lot of work and a hell of a lot of time. It's actually more like this: [Features Features Handmade Made in USA Item details Item details This Watercolor of "Winter Trees" is the 3rd painting of my collection. This one is of the yellow poplar tree with the snow falling on it. I'm definitely on the path to creating my own watercolor line. I've just been painting all this winter, and I'm excited to share with you some of the images from my thoughts and inspiration. The designs for this line are original.Project to provide 9df0af710a
